Description

Maintaining the health and safety of all students is the primary objective of the Office of Student Services. OSS administrators assist students and parents in understanding the application of the policies and procedures of Chaminade Julienne as outlined in the *Student/Parent Handbook*.

Department Goals

The Office of Student Services maintains a service goal of helping each and every student in a holistic manner by partnering with teachers and parents. Our goal is to assist students and parents with their individual needs in a quick and confidential manner in order to maximize students' abilities to focus on their academic work.

Highlights
