Department Highlights

- ✓ The art program provides students with experiences in problem solving based on professional work and self evaluation.
- ✓ Students learn from external experiences from visiting places such as the Dayton Art Institute, Columbus and Cincinnati Museums of Art, the Dayton Visual Art Center, and K-12 Gallery.
- ✓ Students tour local artist studios and galleries, providing a more intimate look at specific artists' work, some internationally known.
- ✓ Students consistently garner awards at local and state exhibits and competitions. Over 200 student artworks are exhibited locally and statewide each year.
- ✓ Art exchanges through the Global Art Peace Project have provided cultural experiences with other schools around the world.
- ✓ Participation in fundraising activities for our community partners such as creating bowls for The House of Bread. Artwork is also provided for the CJ Fish Fry silent auction.
