# College Credit Plus (CCP)

## January 28, 2021

# Agenda

1. Prayer
2. What is College Credit Plus?
3. Is CCP for you?
4. Participating in CCP
  - a. Applying for funding
  - b. Applying for college admittance
5. Registering for classes

# Materials

The following items are available on the Academic page of the CJ website

- This presentation
- Recording of this meeting
- Participation steps document
- List of CCP classes taught at CJ

# What is College Credit Plus?

The opportunity for high school students who are college-ready to earn high school and college credit simultaneously while still in high school.

# CCP Details

- College courses are free to students
- Courses will count for credit on both high school and college transcripts
- College course will be weighted as Honors course in same subject area
- Open to students in grades 7-12

# CCP Details (cont'd)

- All Ohio public colleges/universities participate
- Students must be college-ready and apply and be accepted to a college
- Students must take a placement test or have high enough ACT/SAT
- CCP is available for summer term

# CCP Student Feedback

“I just had to email you guys again because I have the greatest news of all time. So I just went in to meet with my academic advisor here at Xavier to switch my major from Middle Childhood Education to Early Childhood Education. This lady told me I HAVE 12 WHOLE CREDITS from Wright State which means I'm almost an ENTIRE semester ahead of everyone! But it gets better. Now that I'm ahead, during the spring of my senior year I will be able to start taking graduate classes toward my Masters before I even graduate!!” -- CJ Alum class of 2018

# CCP Options

1. Take courses on the college campus
2. Take courses online through the college
3. Take courses approved by the college at CJ taught by CJ teachers

# Sinclair CCP Courses at CJ

1. AP Psychology
  - PSY 1100 (3 sem hours)
2. Honors Calculus I
  - MAT 2270 (5 sem hours)
3. AP Biology
  - BIO 1111 & 1211 (8 sem hours)
4. AP US History
  - HIS 1101 & 1102 (6 sem hours)

# WSU CCP Courses at CJ

1. Eng 12: Global Issues
  - ENG 1100 & 2040 (6 sem hours)
2. Spanish 3
  - SPN 2010 (3 sem hours)
3. Honors Spanish 4
  - SPN 2020 (3 sem hours)

# Courses at the College

1. Can be on campus or online
2. Must complete 15 credit hours of Level 1 courses before taking Level 2 courses (see [Course Eligibility](#))
3. [WSU Level 1 courses](#)
4. [Sinclair Level 1 courses](#)

# Risks of CCP

- Students must follow college's rules
- Students must follow college's policies on withdrawing/dropping
- **Grade earned is permanent on high school and college transcript**
- Taking CCP classes could affect future scholarship opportunities

# Risks of CCP (cont'd)

- Doing poorly in a CCP class can have financial aid implications in the future
- Conflicts with high school schedule (especially summer term)
- Extra-curricular activity conflicts and eligibility implications
- If student fails or withdraws from course, student will be charged cost of tuition

# AP or CCP?

- To earn college credit through AP, students must take AP test in May
- CCP might not transfer to out-of-state or private colleges/universities
- How does CCP credit transfer?
  - [Ohio Transfer to Degree](#)
  - [Transferology](#)
- [AP Credit Policy Search](#)

# How to Participate

1. Discuss your plans with your Guidance Counselor
2. Declare intent to participate and apply for funding in parent's OH|ID account Feb. 1 - May 1, 2021 at 5:00 pm
3. Apply for admission and be accepted to the college(s)

# How to Participate (cont'd)

4. Students must show they are college ready through test scores

5. Funding will be awarded by May 15

\*College admission letter(s) must be uploaded to the [OH|ID](#) account before funding application can be submitted

\*Request **funding for credit hours**, not courses

\*If a student is not funded then the student will have to drop the course(s) or self-pay

<http://education.ohio.gov/Topics/Quality-School-Choice/Private-Schools/College-Credit-Plus-for-Nonpublic-School-Families>

# Important Dates

**Before March 31:** Discuss CCP plans with counselor

**Feb. 1 - May 1 at 5:00 pm:** Sign-up for a [OH|ID account](#)

**Feb. 1 - May 1 at 5:00 pm:** Declare intent to participate and apply for funding\*

**Before May 15:** Funding award notifications sent

\*College acceptance letter(s) must be submitted with funding request so apply and take placement tests ASAP

# CCP at WSU

1. Apply [online](#) to WSU by May 1 (sooner if wanting to take summer classes)
2. Request your CJ transcript be sent to WSU
3. Determine placement by ACT or SAT results or WSU's placement test(s). Must be completed by May 1.
4. Register for courses
5. WSU must receive your funding confirmation by July 1

# Placement Testing at WSU

1. After you apply, you will receive a confirmation with instructions on scheduling placement tests. Tests are taken remotely.
2. If you're taking classes at WSU, you must take both the math and writing tests.
3. If you're taking WSU classes offered at CJ (English & For. Language), you only need to take the writing test.

Contact:

Cathy Davis - [cathy.davis@wright.edu](mailto:cathy.davis@wright.edu)  
(937) 775-5702

# CCP at Sinclair

1. Apply [online](#) by May 1 (sooner if wanting to take summer classes)
2. Sinclair contacts CJ for approval
3. Wait for acceptance letter from Sinclair. It will contain the steps for completing placement testing and the orientation and registration process
4. Provide Sinclair a copy of your funding confirmation

# Placement Testing at Sinclair

1. After you apply, you will receive a confirmation with instructions on scheduling placement tests. Tests may be taken at Sinclair or remotely.
2. Take the writing and/or math placement test(s) depending upon college class you wish to take.
3. If you're taking AP Biology at CJ, you must take both placement tests.

[Sinclair CCP Presentation](#)

# Current CCP Students

- Must declare intent and apply for funding in parent's [OHJID account](#)
- Do not need to reapply with college if student took classes with that college last year
- Will need to apply to college if student never took classes there or if student took a year off with that college

# Registering for Classes

- If class is taken at CJ, registration will be handled by CJ and Sinclair/WSU
- If class is taken directly through the college/university (in-person or online), the student will work directly with the college/university to register for classes

# Miscellaneous

- Funding shortage and self-pay
- Transferring credits
  - For high school credit, college will send grade directly to CJ
  - For future college credit, student must request transcript from the college the summer after senior year
